GitHub | LinkedIn | LeetCode | CodeChef

## SUMMARY

Computer Science and Engineering student with expertise in C++, Java. Skilled in problem-solving, data structures. Passionate about building scalable applications and continuously improving technical skills. Seeking an opportunity to contribute expertise in software development and innovative projects.

## EDUCATION

### Sveri's College of Engineering, Pandharpur

Computer Science and Engineering B.Tech

CGPA: 9.7

Pandharpur

2022 - Present

### Sadashivarao Mane Vidyalaya, Akulj

HSC Percentage - 79%

Akulj

2021-2022

### Shrinath Vidyalaya, Borgaon

SSC Percentage - 94%

Borgaon

2019-2020

## SKILLS

Programming Languages : C++, java, Basic Python, Html, CSS

Tools / Platforms : VS code

Databases : MySQL

## PROJECTS

### • Role-Based Academic Task Management System

*Node.js, Express.js, Bootstrap, MongoDBs*

- Developed a dynamic web application using Node.js, Express.js, Handlebars, and Bootstrap.
- Implemented role-based access for HODs, faculty, and students with secure login and dashboard redirection.
- Enabled HODs to assign tasks to faculty with start dates and deadlines, and faculty to delegate tasks to students.
- Students can upload documents like fee receipts or project files as task submissions.

### • AyurLeaf – AI-based Plant Detection

*Flask, TensorFlow, HTML, CSS, JavaScript, MySQL*

- Built a CNN-based plant detection model to classify plant species from uploaded images.
- Developed a Flask backend with a responsive HTML/CSS/JavaScript frontend for user interaction.
- Integrated database to display plant details including scientific name, general uses, and Ayurvedic uses.
- Implemented real-time image upload and prediction functionality for seamless user experience.

## INTERNSHIP/VOCATIONAL TRAINING

### • Data Science And AI innovation - Watchsum Venture Pvt.Pune

- Completed an industrial internship focused on data science concepts and AI innovation.

## CERTIFICATIONS

### • Basics of Python - CodingNinjas

### • Young Turks Round-1 Aptitude By Naukari.com - naukari campus

### • Ninja Slayground2.0 21 days coding Challenge - Coding Ninjas

### • AWS Academy Graduate AWS Academy Cloud Foundations Badge - AWS

### • Technovation 2025 – IEEE Bombay Section - Technovation

## HONORS & AWARDS

### • Punyashlok Ahilyadevi Holkar 4 times University Topper, CodingNinjas

### • 100+ Day Coding Streak on LeetCode, CodeChef, consistently solving DSA problems.

### • Meritorious Student Award-2k23
